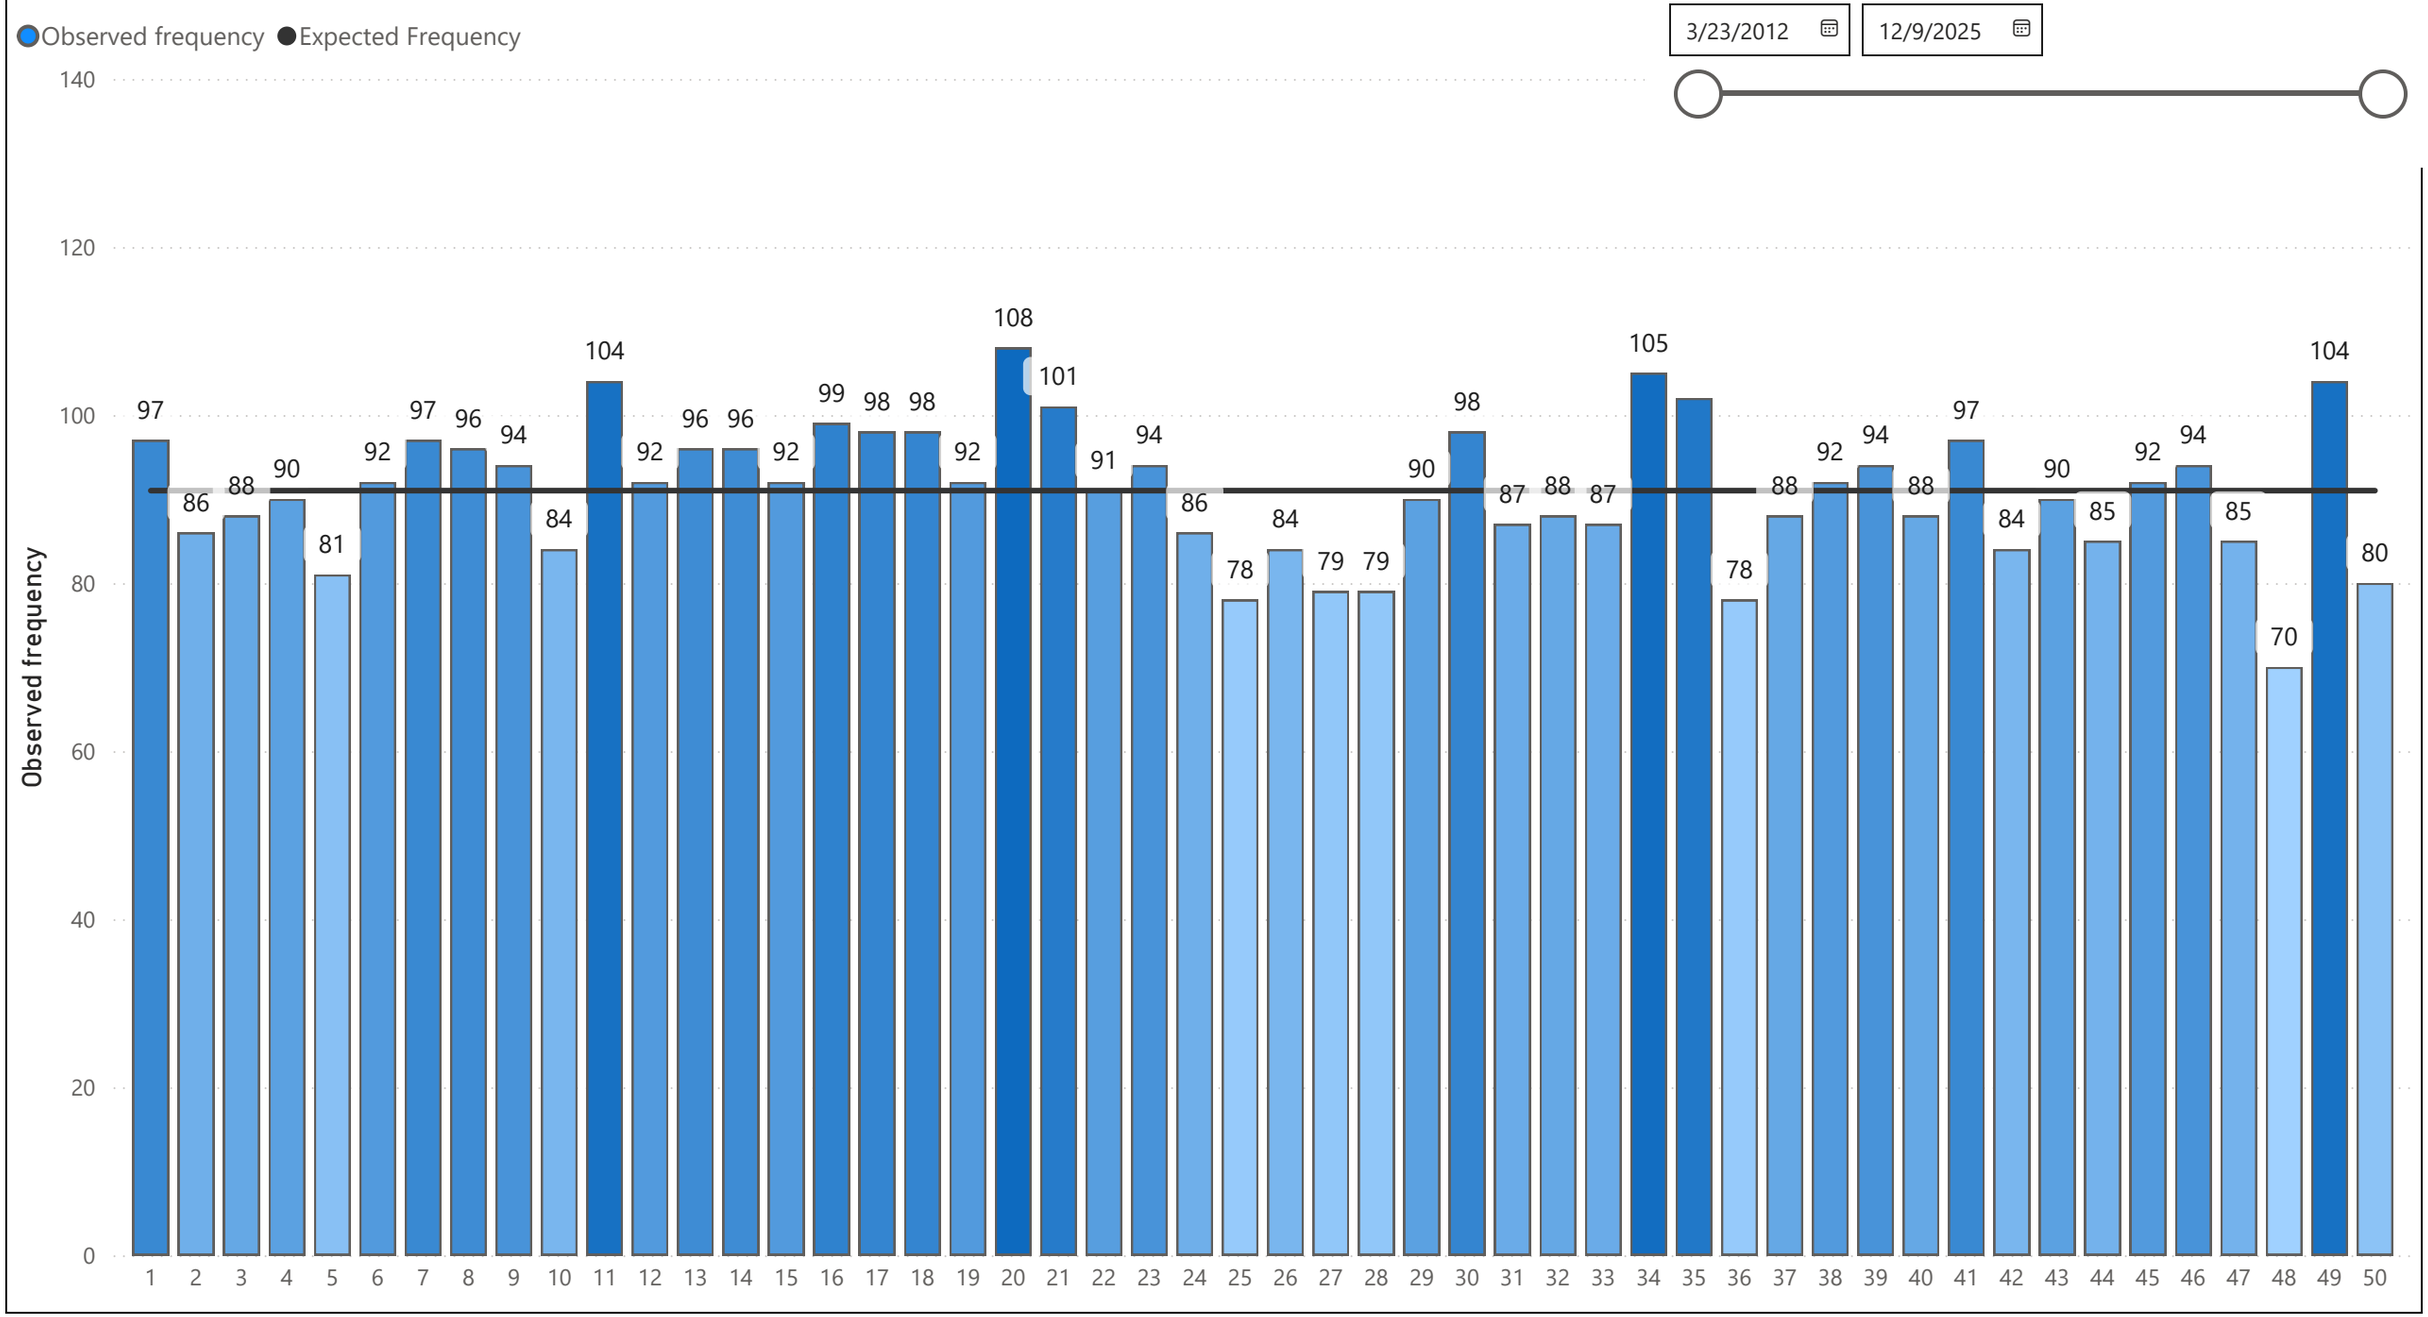
Frequency of main EuroJackpot numbers

Date

3/23/2012 12/9/2025



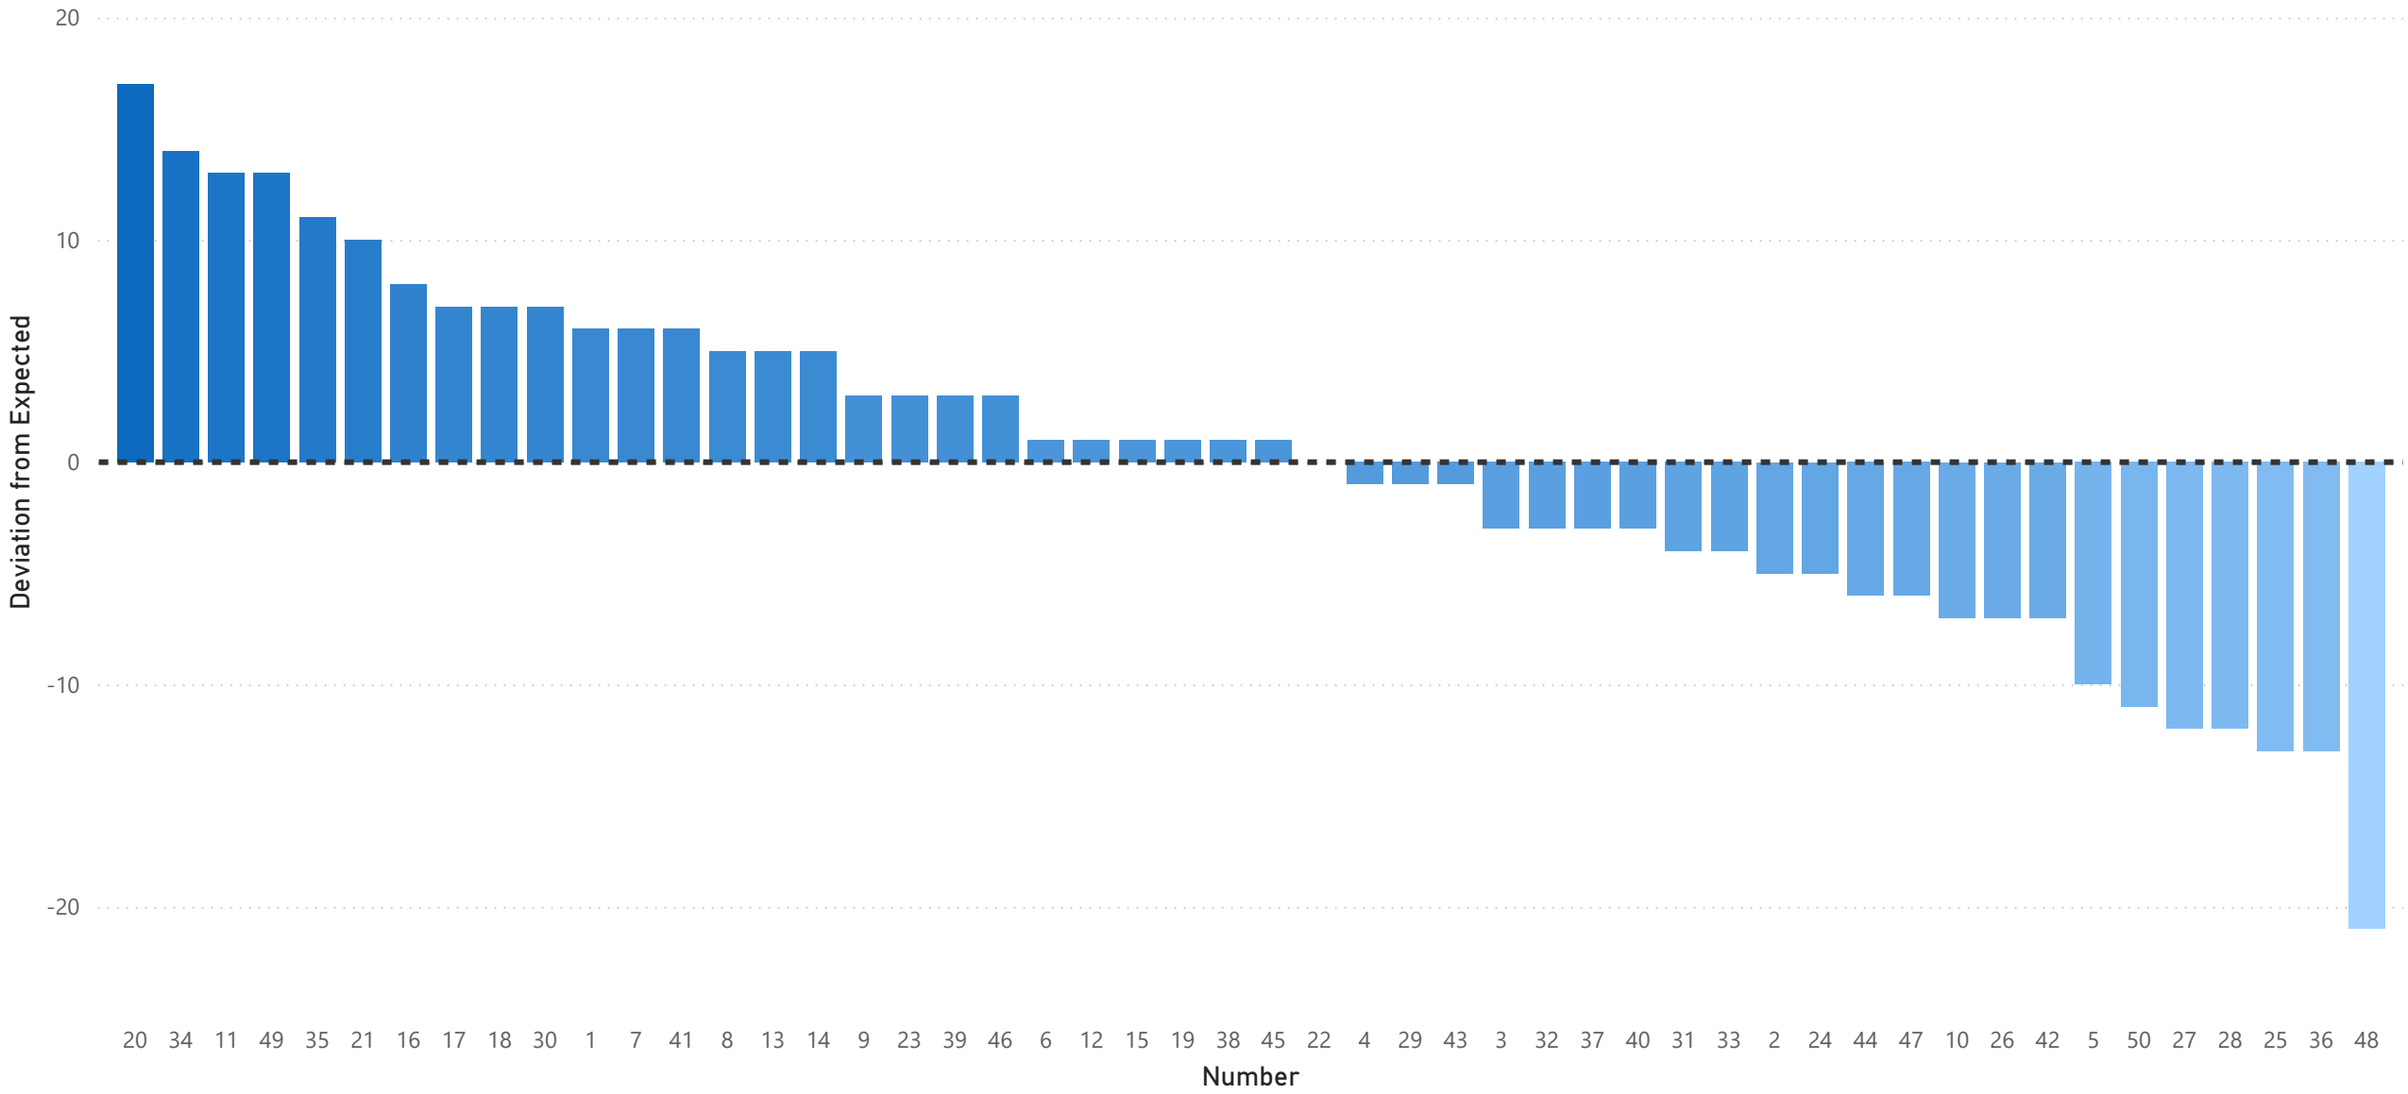
Observed deviation from expected frequency

Numbers are ordered by deviation, not by value

Deviation from Expected -21.00 17.00

Date

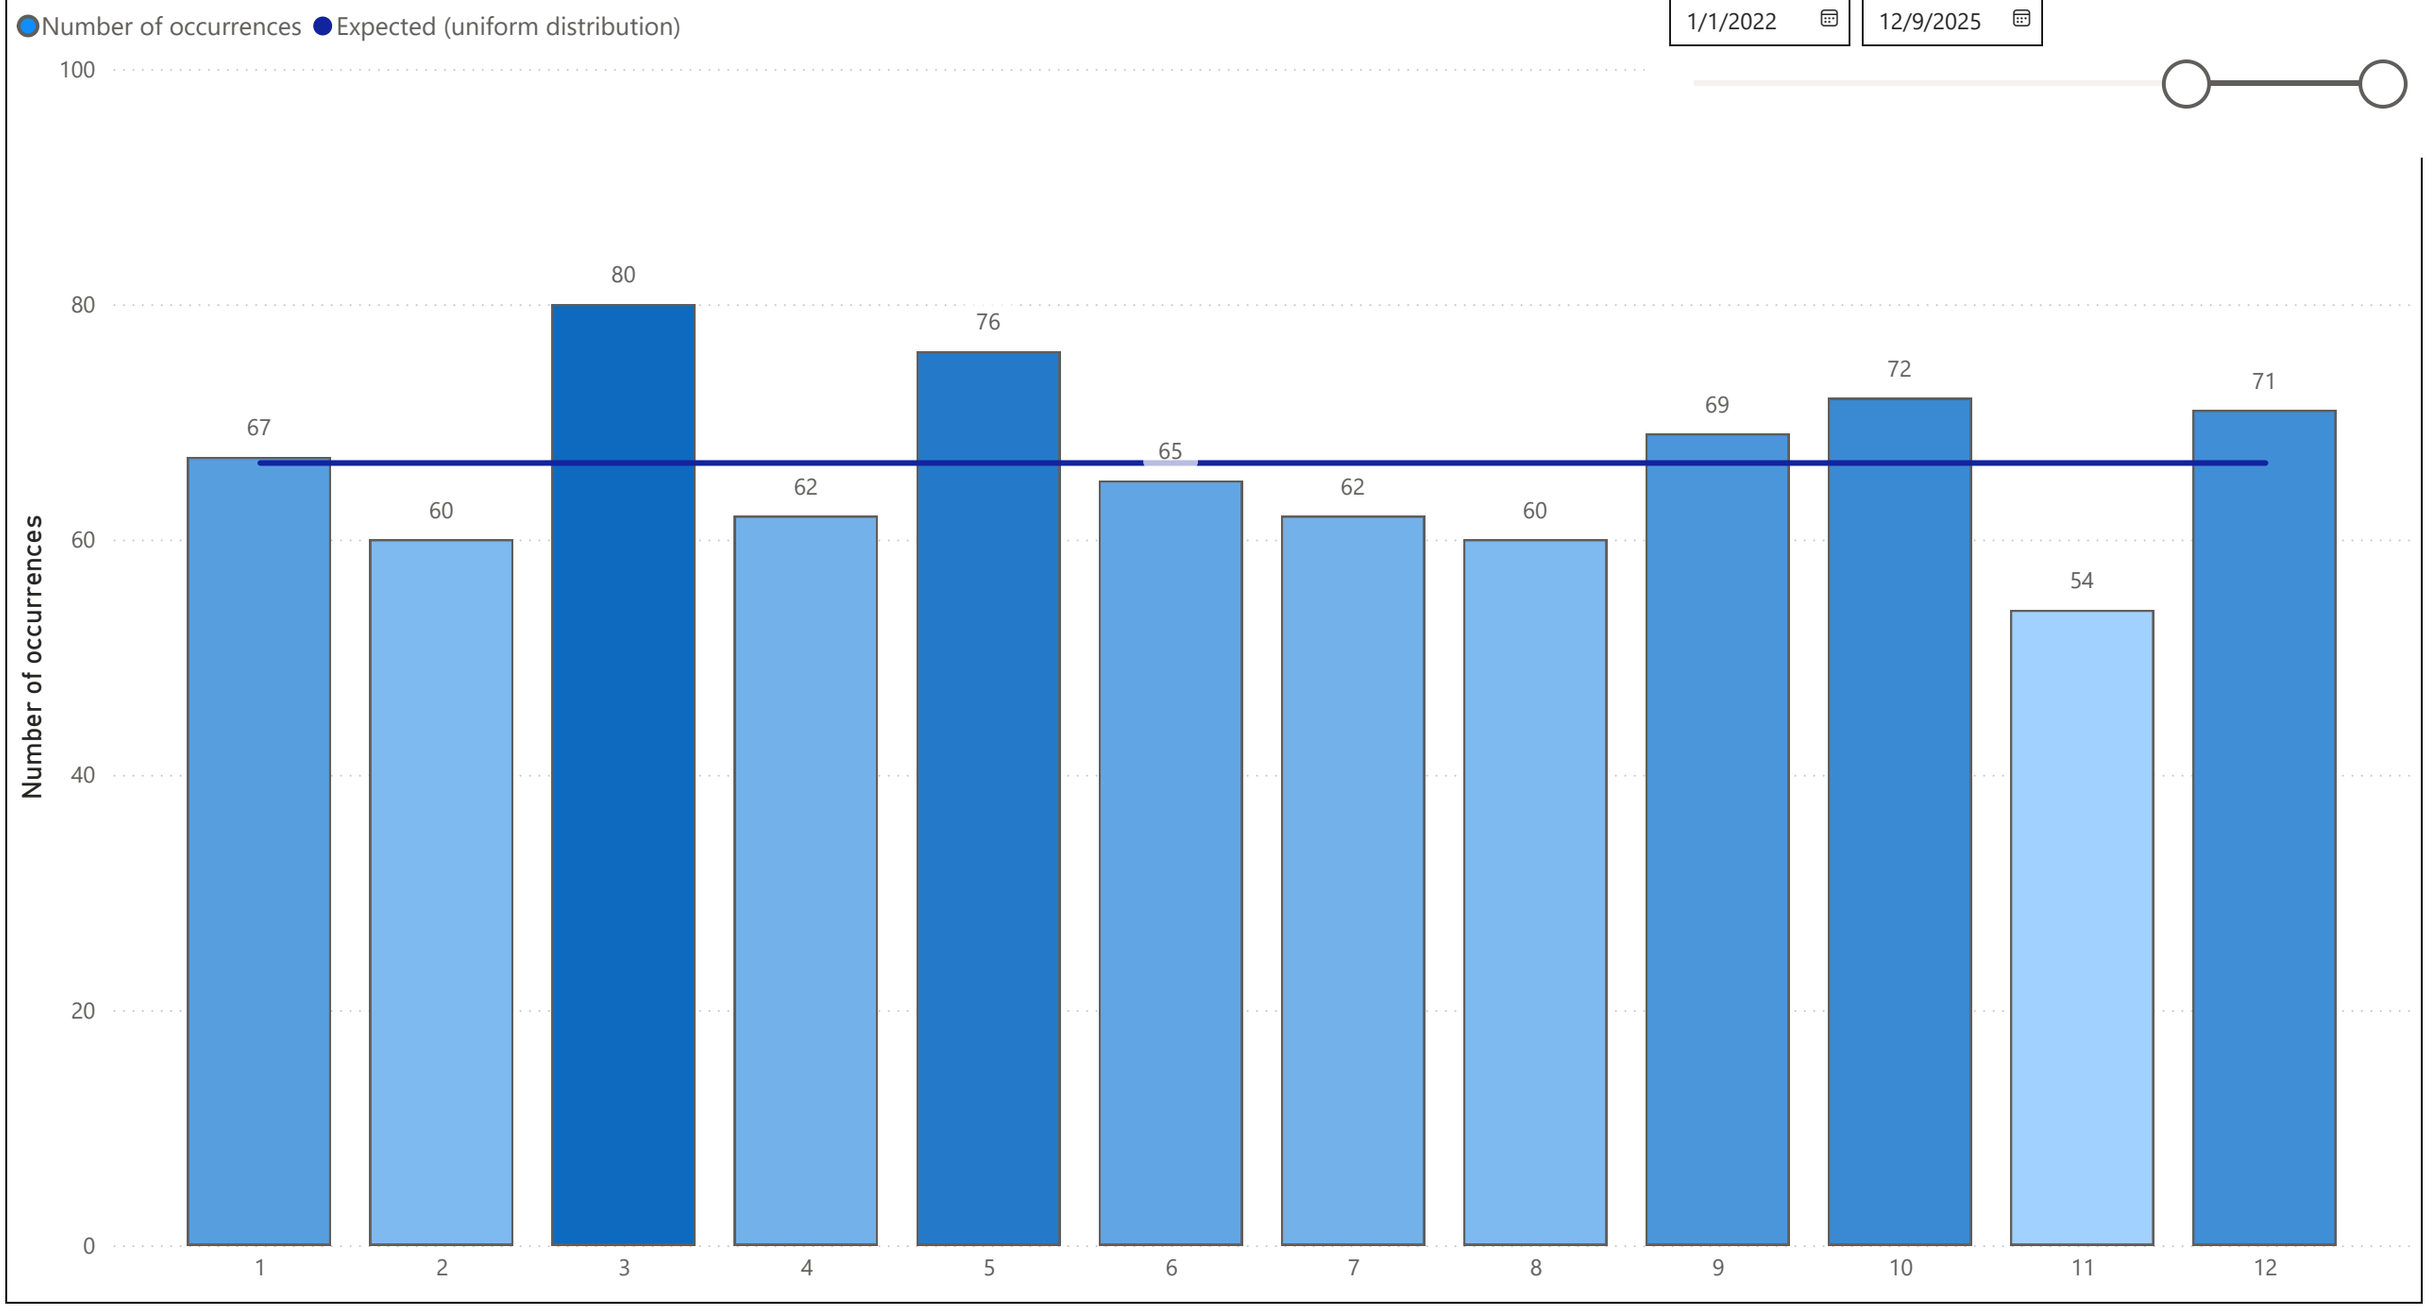
3/23/2012 12/9/2025



Observed variability of number frequencies over time

Early period reflects rolling window warm-up

Observed vs Expected Frequency (Main Numbers, since 2022-01-01)



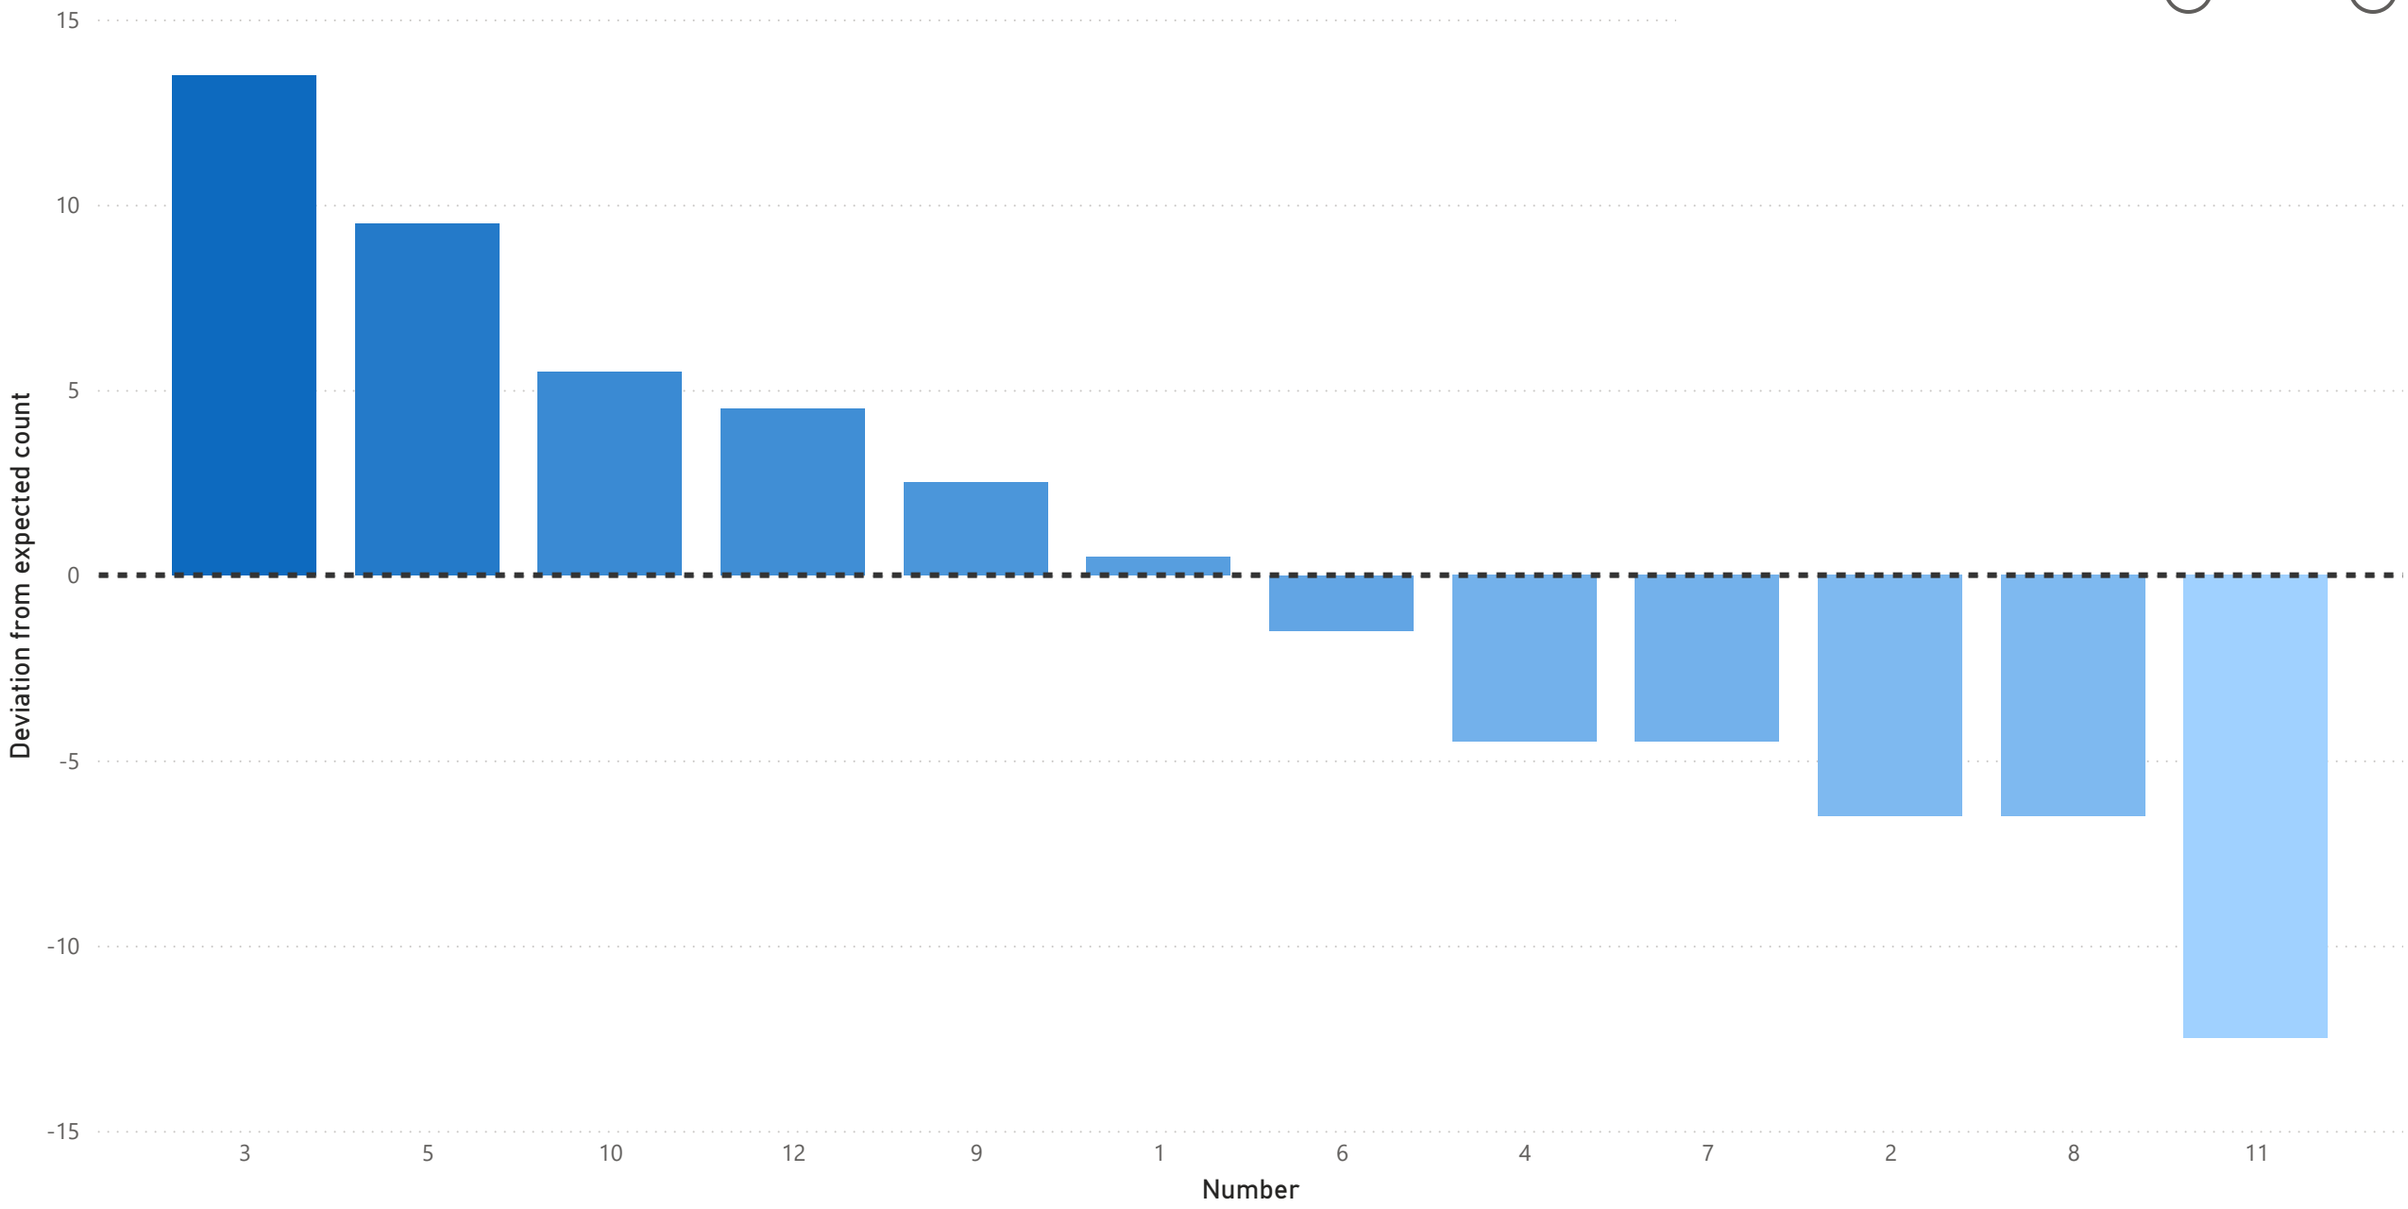
Deviation from Expected Frequency (Main Numbers, since 2022-01-01)

Numbers are ordered by deviation, not by value. Bars show observed minus expected frequency under a uniform random model.

Deviation from expected count -12.50 13.50

Date

1/1/2022 12/9/2025



Observed variability of number frequencies over time

Early period reflects rolling window warm-up
